Negro Man Sold on the Block 56 Years Ago Will Preach on the Same Spot

Our wide-awake and esteemed Springdale correspondent sends the following item of news which deserves more than the ordinary notice:

"Mr. Louis Robinson, a highly respected colored citizen of this Precinct, makes the following unique request:

print the following announcement?

Fifty-six years ago, on the 30th day of the 1907: present month, I was sold as a slave on the block at public auction to the highest bidder at Brooksville, Bracken county. I am now going to celebrate this anniversary by preaching there P. G. Smoot, James W. Fitzgerald and P. P. on the public streets at 2 o'clock p. m. on Sat- Parker. urday, March 30th."

Mr. Robinson is a thorough Christian man and a good talker, with a remarkably pleasing William H. Cox, Henry E. Pogue, George C.

We bespeak for him a good audience and courteous treatment."

It would be a joke on Speaker Cannon, if. after he had just begun to enjoy his little cruise in the West Indies, the President should call an extra session of Congress.

THE money expended for the Jamestown Exposition will exceed \$10,000,000. Many of the State Buildings are already completed and when the gates are thrown open on April 26th, the novel sight of a great Exposition complete and finished in all its appointments will greet the visitors.

It is being publicly stated at Washington and Cincinnati, that Congressman NICHOLAS LONGWORTH is serving his last term from the First Cincinnati District, as Boss Cox and Senator FORAKER are going to see that the only son-in-law of the President is left at the post next year. But the betting is largely in favor of Nick.

Louisville is cussed for its immorality and crime, but that city is certainly good to its deserving poor. During the January flood thousands of dollars and thousands of bushels of coal were supplied to the sufferers; and now the sum of \$5,000 in cash is to be divided among 200 persons to aid them in rebuilding their homes ruined by the flood. Charity, indeed, covereth a multitude of sins.

Modistes of masculine fashions announce that freakishness in men's apparel, which has marked the clothing of past seasons, has gone into well-merited desuetude. It is time!

THE Japanese conversion loan will be issued in London and Paris within the next two weeks. The amount will be \$115,000,000 at 5%. The most of this vast sum has already been spent, or contracted to be spent, in the United States for steel rails, machinery and other supplies for war preparations. The Japs are working like little fiends to be in readiness to fight somebody. But your Uncle Sam "jus' laffs."

Last summer in Washington City, Charles W. McWhorters, an \$1,800 clerk in the city Postoffice, stole \$10,000 of the public funds, played the races and drew a sentence of one year and a day in the Penitentiary. About the same time, in the same city, Miss Ellen PUCKETT, a young lady of good family who drew a moderate salary in the Agricultural De partment, got tired of being poor and forged mortgages on Washington real estate to the value of \$3,000. She has just been sentenced to serve five years in the Penitentiary. The man stole three times more money than the girl, yet he only got one-fifth of her sentence. She didn't get a square deal.

EDITOR RELIEVED.

I'll stop and read that poem."

She glided into the office of a popular magazine and quietly approached the Editor's desk.

"I have a poem," she began. "Well?" exclaimed the Editor, with a look and tone intended to annihilate her, but she calmly resumed:

"I have written a poem on 'My Father's Barn,' and"-"Oh," interrupted the Editor, with extraordinary suavity, 'you don't know how relieved I amj A poem written on your father's barn, eh? I was afraid it was written on paper and that you wanted me to publish it. If I should ever happen to drive past your father's barn

We are agents for Landreth's Seedsseeds with a pedigree. You cannot tell the character of a seed by looking at it; so you have to rely on the dealer. The seeds we carry are all of last year's raising. In planting them you can be sure of a good crop and of the exact variety you want. They cost no more than ihe uncertain kind.

KICKERS'CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say The door is open-walk right in and help yourself, free gratis and for nothing;-but don't make your "kicks" too long-it's the short, quick fellows that count—and cut.

The name of the kicker must accom waste-basket.

MR. EDITOR: Less than six months ago we took occasion to compliment the magnificent condition of the turnpike roads in the vicinity of Rectorville and Orangeburg. We of this end of the county naturally supposed that from that time on the Mason county pikes when repaired, would be after the same "brainy" manner; especially the roads leading toward our Capital City of Maysville. Imagine our surprise, when, in attempting to deliver our tobacco this winter, we had to cross and recross the railroad and streetcar tracks to reach the factory and warehouses, because of the dreadful condition of Forest avenue, which had been repaired during the fall. I am only an ordinary hayseed, but all those who are so unfortunate as to have to travel over that mass of loose stone will agree with me, that that street is a disgrace to Maysville and Mason county, as well as a fraud on the traveling public.

There she is, traveler and taxpayer; a mass of loose rock 16 or 18 feet wide, reaching from Carmel pike on the East, to Union street, if not farther, with two troughs through the middle made by passing vehicles; these troughs are full of smooth stones weighing from 6 to 18 ounces, and now almost round from contact with steel tires, (a nice place for rubbers) with a large per cent of broken rock lying in the ditch so deposited by the hoofs of passing horses and light vehicles.

Why this state of affairs?

Was not the same Turnpike Committee in charge of repairs in both instances?

Fellow citizens, we must agitate! We must agitate! If our turnpike officials are not competant, do not know how, or are unwilling we must look for those who are. We should have better roads for the money furnished and expended! We must have smoother roads.

MRS MARGARET FITZGERALD DALY.

With the triumphant faith that makes death a tranquil sleep for the wearied body, and for the soul a glorious transition from earthsorrows to Heaven-joys, Margaret Fitzgerald Daly, passed away yesterday morning at 10 o'clock. Her death was the culmination of a

gerald, preceded her in death.

In 1896 she married Mr. Dan Daly, who was then living in Canistee, New York, but with the exception of the first year of her married life, Mrs. Daly always lived here, where she

ties, her unflinching attitude on all questions of principle, her strict adherence to the tenets of the Church she loved so well, her logical mind, her gift of self expression and repartee, marked her a woman of strong mentality and character-facts that mournfully accentuate the loss of such a wife and mother in the meridian of life.

To the devoted husband and three little daughters bowed by the anguished sorrow of separation, the tenderest sympathy is extended. Funeral services by Rev. P. M. Jones, Fri-

Foolish people neglect this and when chronic constipation effects them they take pills every few days to force the bowels to perform their natural function. As years go on they require more and more pills. This should be stopped. Cooper's New Discovery will build up the stomach and cause the bowels to act naturally. While taking the medicine get the habit of regularity, then gradually stop taking the medicine. Here is a sample of letters from those

"For sixteen years I have suffered from

stomach and liver trouble, and chronic constipation. I had frequent headaches and always felt tired and worn out. I heard of Cooper's New Discovery and began its use, After I had finished one bottle I was wonderfully improved. Constipation gave way to a pleasing regularity of the bowels and I ate better, slept better and felt better than I had for months. It is the greatest medicine I have ever known." Petitions are out asking for the establishment of R. F. If the route is established, our mail service, which is now excellent, will be greatly impaired. We will have to give up the Maysville Dailies and the late editions of the Cincinnati papers we now receive. In fact we will have to resort to weekly papers, and all of our outgoing and incoming mails will be delayed several hours. The R. F. D. is entirely too slow for the people here, who are accustomed to almost a perfect mail service, and it is to be hoped that the route will not be established.

Hard to attend to household duties With a constantly aching back. A woman should not have a bad back, And she wouldn't if the kidneys were well. Doan's Kidney Pills make well kidneys

Here is a Maysville woman who endorses this

Mrs. Lizzie Bridges, of 206 West Third street,

Maysville, Ky., says: In March, 1900, I gave a testimonial recommending Doan's Kidney Pills and in it I told how I learned the great value of this remedy. I had been troubled with a bad back and weak kidneys from girlhood and in my efforts to find a cure tried every medicine I could find but without benefit until I began using Doan's Kidney Pills. They proved just the remedy I needed. They went right to the cause of the trouble and as a result brought relief that led me to testify in their favor. I have never been without Doan's Kidney Pills in the house since. Every spring I take a box whether symptoms of kidney trouble are apparent or not, and in this way keep the kidneys in good condition and guard against attacks of my old trouble."
